RE: FEC ID #C00111278, National Right to Life Political Action Committee

Dear Ms. Winship:

This letter addresses the fact that many of the 24-hour reports that were filed in 2005 and 2006 mistakenly identified the election as General 2004, when in fact, they were for the 2006 election cycle. While they were reported correctly on the subsequent Form 3x reports, we would like to make clear for the public record that these transactions were in fact for the 2006 election, and not the 2004 election.

We have taken steps to ensure we don't continue to make this clerical error when generating our 24-hour reports. Please don't hesitate to contact me if you need any additional information. Thank you.

Sincerely,

Amarie Natividad
